(Bonus link here! <https://www.youtube.com/watch?v=awhyiBv-oQc>) We have also planted out tomatoes and cucumber (fingers crossed no frost please!) and played dragons den success or failure (you watch old episodes, say if you think the product still exists, then google it to see - points awarded for success).

We hope you are all still managing to stay safe, well and not too stir crazy! Thank you for your messages, apologies to those we haven't had chance to reply to yet - we do love hearing from you all.

Sending lots of love and hoping to see you soon
