[Music for a while \(Purcell\) - The King's Singers & Jakub Józef Orliński - YouTube](#)

This week has been all about keeping going....and I'm pleased to say we have Despite the dark and damp weather at the start of the week we have been grateful for the fantastic online activities the girls have been able to do from Emily's singing lessons to Phoebe's zoom Guides where this week we made bird feeders (worms included!) just in time to put out so we can take part in the RSPB garden bird watch later this month. Luckily our cat is not much of a hunter....he much prefers to lounge by the fire than chase things in the garden...especially in the snow!

Speaking of snow...a very welcomed end to the week, which although not great for those having to commute still, was a lovely surprise for lockdown homeschoolers and PE turned into a snowball fight and a chance to get some fresh air and winter sun too.

A final piece of good news this week was that we were fortunate enough that both mine and Toms parents were called to go for their first COVID vaccine and Tom also received his at the hospital. A light at the end of the tunnel and a sign hopefully that easier times are coming. I am waiting patiently for my turn to come

As always thinking of you all and hoping that you enjoy singing along to the selection above.

Stay safe and well and we will look forward to seeing you soon.

Love

Sarah and Family xxxx
