Thank you to all of you who have been in touch it was lovely to hear from you, and thank you Carole for sending over the organ music link which was very much enjoyed. My apologies for not getting back to all

of you...this week has been quite a challenge at work helping to support communities in Leicester as they go back into lockdown and I hope you don't mind me asking you to keep my Leicester friends and colleagues in your prayers this week too.

In Hinckley however we are not subject to these restrictions and Phoebe has enjoyed her last but one week of primary school and we have had an induction to her new High School via zoom which although not the same as in person was still very exciting!

In the garden our strawberries were ready to pick just in time for what would have been Wimbledon and Emily and I have enjoyed eating them in front of re-runs of past matches on the TV pretending we were there....also lovely for her to see some of the great matches from when I was young too (and see how tennis fashions have changed over the years!)

We hope you are all keeping safe and well and are thinking of you all whether you be shielding still or starting to prepare to venture out again.

Sending you very best wishes for another good week.

Love Sarah, Tom, Emily and Phoebe xxxx
