Lent Reflections via Zoom

This year our Lenten Reflections are taking place via zoom on Wednesday evenings at 7.00pm—see the joining details above—and our theme is going to be ‘Lenten Landscapes’. These times of reflection are open to all so please do join us if you are able. Zoom is not that difficult to use, but if you would like a trial run do get in touch with either Revd. John or Revd. Carole and we will be happy to walk you through the process.

In consultation with the church wardens and others, we have taken the decision not to open the church buildings in the Kingsbury and Baxterley group for worship for the next few weeks. The decision to close is not one that has been made lightly, but with the alarmingly high rates of infection and hospitalisation that have been occurring, we have agreed that the responsible and Christian course of action is to support the national "Stay at home" message. The suspension of services in church will apply until further notice.

Online services will of course continue and a weekly reflection can be listened to by dialing 01827 211 125. I look forward to us being able to resume normal services as the wider situation in the country and region improves. In the meantime, keep safe, keep praying, and know that the Lord is with you. **Revd. John**
