

Hello again everyone!

I hope I find you all well.

Over here we have been busy once again with home schooling and work but also finding time for trying out new recipes, crafts and activities.....I'm still not sure I will ever master knitting, embroidery or crochet but the girls have taken to it and we have also tried polymer clay modelling and our new and exciting purchase of a wood engraving pen!!!! Any other craft suggestions would be gratefully received 

On our daily exercise we are trying the couch to 5k challenge together and now that school has broken up for Easter holidays we are hoping for nice weather so that we can go camping.....in the back garden ha ha!

Of course we are also singing along together which is lovely and I hope you are able to have a sing too...

As its Palm Sunday tomorrow I've put a selection of hymns below so that you can sing or listen along, I hope these are some of your favourites and that they supplement the prayers, readings and reflections kindly sent round by John. (numbers are for the orange book)

As we are entering Holy Week I thought I would send an additional email in a few days time with some extra reflective music and hymns and of course I look forward to putting together a selection for Easter Sunday next week - If you have any particular Holy Week or Easter Favourites let me know and I'll include them.

As always sending you lots of love and thinking of you until we can sing together again

Stay safe and well
