It's been all change again for us at the Carter house with the girls on summer break. A couple more weeks until Tom and I are on leave too but the girls have made the most of time at home with no school to get in the way! Fingers crossed the sun comes back so we can enjoy paddling pools and bbq's in the garden again

Also this week the girls were very happy to get back to playing tennis at our club as it opened up again for groups. Socially distanced of course, but it was good to catch up with friends and see the squads all running around together again. Lots of happy children and parents!!

We hope you are keeping safe and well and are thinking of you all whether you be shielding still or starting to venture out again.

Sending you very best wishes.

Love Sarah and family xxxx
